Partnering to reach North America for Christ

The work of the North American Mission Board (NAMB) is primarily supported through the faithful giving of Southern Baptists to the Cooperative Program and the Annie Armstrong Easter Offering for North American Missions. These channels of mission support also provide the infrastructure through which MSC missionaries are able to serve. However, MSC missionaries must depend on the involvement of Ministry Partners like you who contribute sacrificially beyond their tithe and offerings through the local church to help support the NAMB related ministries these missionaries are engaged in.

Thank you...

for your support of the North American Mission Board. Through your investments each month, you are helping reach North America with the HOPE of Jesus Christ.

needed.**

DIRECT DEPOSIT-EFT

Many Mission Service Corps (MSC) ministry partners have asked for this service so they can give faithfully without having to write a check every month.

If checks from ministry partners arrive late or are lost in the mail, this can result in financial hardship for a missionary who is supported through these gifts to the North American Mission Board. Using **DIRECT DEPOSIT-EFT** helps to ensure that your gifts will arrive in a timely fashion.

This permission to charge my bank account is the same as if I had personally signed a check to the North American Mission Board (NAMB). This agreement will remain in effect until: 1) I write a note or call the North American Mission Board to end this agreement, or 2) North American Mission Board or my bank sends me 10 days' written notice that this agreement will be terminated.

My bank statement will reflect my monthly transfers to North American Mission Board. I will also receive a monthly receipt from NAMB and a year-end receipt listing my total contributions.

In the event of an error, I have the right to tell my bank to reverse any transfer. However, I must tell them and NAMB, in writing, within 15 days of the date on the bank statement or 45 days of the transfer. NAMB also has the right to debit or credit my account for any errors they discover.

I understand and agree that my bank is responsible for the accurate and timely posting of my transferred gift(s). In the event of an amount or double posting error, I will handle this matter directly with NAMB.

Honoring Your Preferences

Your donations are given with the understanding that the North American Mission Board has complete discretion and control over the use of all donated funds. However, it is our intent and desire to provide for the work of MSC missionaries in keeping with the preferences of ministry partners such as you. If we are not able to do this, you will be notified.
